

Clarinets and Flutes

Term 6

Our theme this term is 'How will we get there?'

This term:

This term, our topic is 'How will we get there?' We will be learning about lots of different types of transport. This will include cars, buses, bikes, trains, boats and aeroplanes! We will also be exploring different books in literacy, including 'The Night Pirate', 'The Sharing Shell' and 'Mrs Bears Holiday'.

In maths, we will be further exploring the composition of numbers and comparing quantities in various different contexts.

Finally, in expressive arts and design we will be making cars and trains. We are going to have a pirate week and use the construction toys to make pirate boats and bridges to walk the plank!

Key Information:

Clarinets will continue to have PE on a **Wednesday** and Flutes will have it on a **Thursday**. For PE, please ensure that jogging bottoms are worn, and either a plain white t-shirt or your child's house colour t-shirt.

Forest School is still on a **Friday** and your child may wear any suitable clothing you do not mind getting muddy!

The weather is (hopefully!) getting warmer so please ensure your child comes into school wearing suncream and a hat! Remember your water bottles!!

On the 17th June, we are hoping to hold our Sports Day. On this day, you will be invited to watch your child in their races. Watch out for more information!

Tuesday 2nd July- transition meeting with new Year 1 teacher for 'transition and treats!'

Last day of term - Friday 19th July

Reading:

Your child will continue to be sent home with a reading book every Friday. Please can you make sure you are recording when you have read with your child in their reading journals.

Reading books and records need to be in every day, in particular, on a Friday so they can be changed. If they are not brought back, unfortunately we will not be able to change it. Thank you!

Clothes:

Please can you ensure that all of your child's clothes are named as we have had a few incidences where children have lost items which have not been named. They are therefore very hard to track down!

Please make sure you are wearing weather appropriate clothes! Also, as the weather is getting warmer, please can you send your child into school with suncream and a sun hat on so they can enjoy playing outside!

Finally, if your child has come home with any spare clothes, please can you make sure they are returned to school as we are running low.

Thank you for understanding!

Transition week

Transition week is Monday to Thursday, the week beginning the 1st July. An email will be sent with the details!
