

OBOES

Literacy

This term in literacy, we will be focusing our learning around different texts and fairy-tale stories to engage the children with their writing. We will continue to use capital letters, full stops and finger spaces but will also be introducing adjectives and conjunctions in our writing.

Read Write Inc (RWI)

The children continue to impress us with their hard work and determination in their daily phonics lessons. The children's books they take home are linked to the books they read during lessons so please read and listen to your child every day. This really supports children's progression and fluency.

Once your child has read, please could reading books be placed back in your child's book bag to enable staff at school to read with children throughout the day. 😊

Spellings

Spellings will be set weekly on a Friday for children to learn over the week. They will be tested the following Friday. We have seen an increase in spelling scores so please keep practicing. 😊

Hello!

Welcome to our newsletter for **Term 2**. We hope everybody had a lovely half term. As we enter our Christmas term, we have lots of exciting activities planned. Our class activities will link to our class topic '**Turrets and Tiaras**'.

Maths

In maths this term,  children will be developing their knowledge and understanding within addition and subtraction.

The children will be looking at addition and subtraction using part part wholes, exploring fact families and number bonds to 10.

Maths homework will be given out every Friday. This will be linked to the children's learning in the week. Please can homework be returned by the following Friday.

There are lots of useful maths games on this website for your child to access at home.

Topic

In history this term, children will be learning about Guy Fawkes and understanding why we celebrate fireworks night.

In R.E, we will be exploring the Christmas story and of course everyone's favourite part of the term, practicing for our Christmas nativity.

Dates for the Nativity:

Tuesday 10th December 2.20pm

Wednesday 11th December 10.15 am

Rainbow challenge

The children will continue to complete rainbow challenges throughout the week based on their learning in: Literacy, Maths, Topic, Art and Fine motor skills.

Children will be making their own Guy Fawkes, mixing paints to create a bonfire picture and written their own adjectives based around the story Rapunzel.

P.E and Forest School

P.E is on a **Monday** and **Tuesday**. Please could children have a set of plimsolls they could keep in school for these days or wear trainers to school. Forest school is on a Thursday. Please could children have a warm coat and named wellies in school on this day.
